

# IMPACT SUITE: 2024 ROADMAP

## Disclaimer

This document contains statements regarding planned or future development efforts for our products and services. These statements are not intended to be a promise or guarantee of their availability, but merely reflect our current plans. These planned development efforts may change without notice.

## Themes

Our product team has identified the following focus areas for 2024. Please note, the items below are not exhaustive - we're still committed to regular platform improvements, updates and bug fixes throughout the year.

### 1. Unifying the Impact Suite

Bringing the LMS, Authoring Tool and Learning App together in perfect harmony.

### 2. Improving Admin Efficiency

Streamlining user interactions by reducing clicks and simplifying processes.

### 3. Engaging Your Learners

Introducing new game mechanics designed to enhance engagement.

NOW

**Data Visualisation**

Elevate your understanding with powerful data visualisation tools.

**Knowledge Contests (LMS)**

Implement learner-vs-learner quiz contests, curated from a dynamic question pool.

**AI Coach & Announcements**

Guide your learners' journeys with an intuitive AI coach and admin announcements.

NEXT

**Daily Dose**

Cultivate healthy habits through daily learner challenges and questions.

**SCORM eLearning (App)**

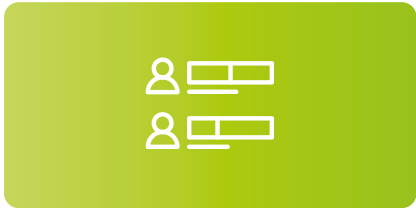

Integrate SCORM-compatible eLearning effortlessly with your mobile app solution.

**Clubs Live (App Relaunch)**

Create memorable learning experiences through engaging livestreams.

LATER

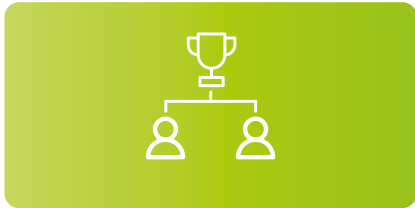

**Polls (LMS)**

Effortlessly distribute polls to learners via social streams on your LMS.

**Curricula & Levels (App)**

Organise mobile app content seamlessly with learning pathways and curricula.

**Team Contests (LMS)**

Share team-vs-team quiz contests with learners via your LMS.

**Events (App)**

Empower learners to enrol in classroom and virtual events via their app solution.

**Assessments (App)**

Assess your learners' knowledge and skills through your mobile app.

**Clubs Live (LMS)**

Infuse your LMS with captivating and memorable livestream experiences.
