

COMMUNITY CATALYST

The **Impact Suite** comes locked and loaded with everything you need to delight your learners and deliver business success. But the fun doesn't have to stop there. Thanks to our Power-up options, you can now tap into Growth Engineering's boundless engagement expertise.

Our solutions provide a bounty of social functionality. This includes Clubs, Experts, FAQs, Live Streams and more. Getting the most from these tools requires building an authentic learning community.

Meet **Community Catalyst**, an Impact Suite Power-up designed to supercharge your social learning approach. You'll be assigned your very own Growth Engineering community manager who will help guide you towards a knowledge-sharing utopia!

Your Community Manager will:

Profile your learner audience and outline community goals.

Provide extensive social learning training, resources and best practice advice.

Create a social content calendar in line with your team's guidance.

Conduct regular social strategy feedback sessions.

Monitor and moderate your social feeds and respond where possible.

And where selected — action your social strategy plan for you!

So, what are you waiting for? Stop intellectual capital leaks, unearth subject matter experts and hashtag your way to genuine business impact!

Did You Know: Social learning can increase course completion rates by up to **85%** (Source: Harvard Business School).

PRICING

Prices vary depending on your need — full community management starts at **£60,000** per annum.
