

ADMIN ALLIES

The Impact Suite comes locked and loaded with everything you need to delight your learners and deliver business success. But the fun doesn't have to stop there. Thanks to our Power-up options, you can now tap into Growth Engineering's boundless engagement expertise.

Creating a thriving learning environment is essential in order to see a real impact from your training initiatives. But this requires time, love and attention. So, what do you do when you lack the resources or expertise to pull it off? Turn to Growth Engineering, of course!

Our **Admin Allies** Power-up leverages the experience, knowledge and enthusiasm of the Growth Engineering team to help you smash your learning goals. In fact, we can help with full-scale platform administration or focus on specific areas based on your needs:

User Management

Content Management

Reporting & Analysis

Support & Best Practice

Increasing Engagement

Full Administration

With almost 20-years of experience in creating successful learning programmes and unrivalled platform knowledge, we're your perfect ally. We'll take care of 'business' — the boring, grindy, adminy bits — whilst you focus on engaging and delighting your learners!

With Admin Allies, you no longer need to worry about finding the extra resources you may need. Sounds *tot-ally* fabulous, right?

Did You Know:

There are nearly 75 million LMS users in the world. Just imagine all those admin hours required to keep things running smoothly! (Source: Research.com)
