

CONTENT CREATION

The **Impact Suite** comes locked and loaded with everything you need to delight your learners and deliver business success. But the fun doesn't have to stop there. Thanks to our Power-up options, you can now tap into Growth Engineering's boundless engagement expertise.

A learning system without engaging training content is like a theme park without any rides. Fun, excitement and behaviour change will only ever be a fleeting dream. So, let's get creative! Unleash our **Content Creation** Power-up to get access to our award-winning eLearning production services.

BLANK PAGE

Not sure where to start? Let's work together to outline your needs and craft a masterpiece.

THE BLUEPRINT

Already have a vision for eLearning excellence? Now let us help you bring it to life.

GLOW UP

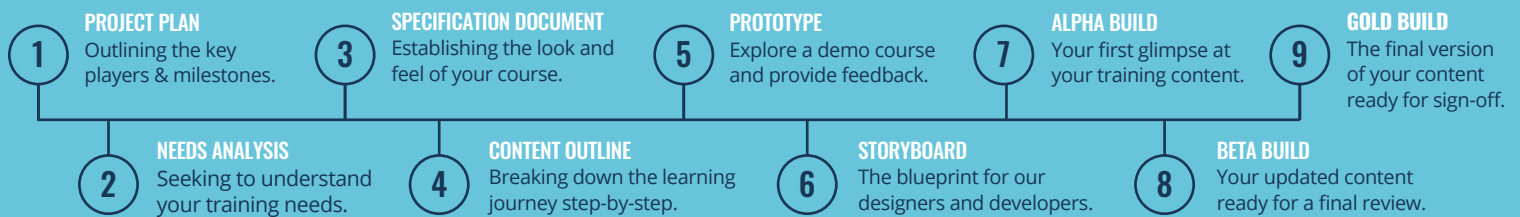

Have content available in a different format? We'll transform it into eLearning eye candy.

GAME PLAN

We can bring even the boldest vision to life through custom learning games.

We use Growth Engineering Authoring Tool (and 18+ years of instructional design know-how) to craft the kind of content your learners will love. By following our tried and tested production process, you'll get plenty of opportunities to review and provide feedback.

All content is customised in line with your brand specifications, mobile ready and available in a variety of compliance standards (including SCORM 1.2, 2004, xAPI and cmi5).

Did You Know:

Online learning has been shown to increase retention rates by as much as **60%** versus traditional classroom training (Source: The Research Institute of America).

PRICING

Please reach out for a custom quote based on our **£800** content development day rate.
